Anexos: 2 (disponibles en inglés solamente)

Asunto: Curso internacional de formación sobre “Utilización de instrumentos meteorológicos”, del 12 al 25 de septiembre 2013, Nanjing, China

Finalidad: Para información y para que se adopten las medidas pertinentes, según proceda

Estimado señor/Estimada señora:

Me es grato comunicarle que China acogerá un curso internacional de formación sobre “Utilización de instrumentos meteorológicos”, del 12 al 25 de septiembre 2013 en el Centro regional de formación (CRF) de la OMM en Nanjing (China).

El curso está diseñado para observadores meteorológicos, principalmente de países en desarrollo que se dediquen a la observación meteorológica, la utilización de instrumentos meteorológicos y sectores conexos. El Curso se impartirá en inglés y abarcará principalmente los principios y competencias básicas para el uso de instrumentos meteorológicos convencionales. Contribuirá a mejorar la capacidad de los participantes para la utilización de utilizar instrumentos meteorológicos convencionales, la investigación científica y en aspectos de gestión.

El Gobierno de China eximirá a los participantes admitidos para el Curso de los derechos de matrícula y podrá facilitarles apoyo local si así se lo solicitan. Para más información, se adjuntan un documento sobre la inscripción y el formulario de inscripción.

Se ruega a los candidatos designados que cumplimenten el formulario de inscripción adjunto, que deberá aprobar el Representante Permanente de su país ante la OMM, y que lo envíen **directamente al Centro regional de formación de Nanjing (China)**, a la dirección que figura en el formulario, no más tarde del **16 de agosto de 2013**.

Le saluda atentamente.

(E. Manaenkova)
por el Secretario General

A los Representantes Permanentes (o Directores de los Servicios Meteorológicos o Hidrometeorológicos) de los Miembros de la OMM (PR-6703)

ENROLMENT INFORMATION

International Training Course on Use of Meteorological Instruments

The International Training Course on Use of Meteorological Instruments is organized by WMO Regional Training Centre (RTC) Nanjing, and sponsored by the China Meteorological Administration (CMA).

1. Objectives

Through theoretical study and practice, participants will be able to master the principles and skills of use of conventional meteorological instruments. This will be helpful to improve participants' ability in use of conventional meteorological instruments, scientific research as well as management.

2. Date and Venue

12-25 September 2013, WMO Regional Training Centre (RTC) in Nanjing, China.

3. Course Contents

The training course will mainly cover lectures on measurement of meteorological variables including temperature, humidity, pressure, surface wind, precipitation, sunshine duration, evaporation, radiation, and visibility; observational routine; clouds; radiosonde observation; principle and operation of Automatic Weather Station; calibration and use of the conventional meteorological instruments; study tour to the Meteorological Instruments Corporation.

4. Training Format

Lecture, practical sessions, seminar on special topics, study tour, discussion, and presentation.

5. Language of Instruction

The course will be conducted in English.

6. Targeted Trainees

Meteorological observers mainly from developing countries who are working in the field of meteorological observation, use of the meteorological instruments, and other related fields.

7. Required Qualifications of Participants for Admission

- a) To be specialized in meteorological observation and use of the meteorological instruments with a minimum of one year professional experience;
- b) To be in good physical health with no infectious diseases. Physically fit to fulfill all course activities; candidates with limited physical mobility will not be accepted;
- c) To be proficient in English;
- d) To prepare a report on meteorological observation and use of the meteorological instruments of the participants' Service and a brief introduction of the participant's professional experiences for the purpose of exchanges;
- e) Not to bring family members to the training course in principle; if bringing a family member, the participant has to pay extra expense;
- f) To observe all the laws, rules and regulations of People's Republic of China and respect the Chinese customs during the training period.

8. Application and Admission

- a) The applicants must be meteorological observers who are working in the field of meteorological observation and use of the meteorological instruments from Meteorological and Hydrological Services of developing countries. The nominated candidates are requested to submit the Application Forms together with evidence of English proficiency to the WMO RTC Nanjing China for examination and endorsement;

- b) Admission Notices will be issued to the accepted participants by e-mail by the RTC Nanjing. With the Admission Notices, the participants are requested to go through all the necessary formalities for entering China and bring all the documents (Admission Notices, Application Forms) to the WMO RTC Nanjing China on the registration date of 11 September 2013;
- c) **Only accepted applicants** that receive the Admission Notices endorsed by the WMO RTC Nanjing China can participate in the training course.

9. Training Expenses

- a) Tuition fee is free for all the accepted participants that receive the endorsed Admission Notices by the WMO RTC Nanjing China;
- b) Due to limited funds, the WMO RTC Nanjing China can provide local support such as accommodation, meals, and pocket money (50 Yuan RMB per day) etc. for 20 participants only. Normally one applicant from each developing country or two applicants from each Least Developed Country are endorsed by the WMO RTC Nanjing China for the local support;
- c) Other accepted applicants or their respective governments need cover their accommodation (50 USD per day per person) and meals (20 USD per day per person) during the training period;
- d) The international travel costs including round trip tickets, transit fares and subsistence allowance during the travel are to be covered by the participants or their employers;
- e) The expenses of visa, medical care, insurances and domestic salaries for the participants should be borne by the participants' employers.

10. Insurance

The organizer of the Training Course on Use of Meteorological Instruments does not hold any responsibility for such risks as loss of life, accidents, illness, and loss of property incurred during the whole period of participation in the training course.
