

Notre réf.: 01069/2025/SI/ETR

14 février 2025

Annexes: 2 (disponibles en anglais seulement)

Objet: Offres de formation de l'OMM (2025)

Suite à donner: Pour information et mesures à prendre, le cas échéant

Madame, Monsieur,

En réponse au but 4 du *Plan stratégique de l'OMM 2024-2027* (OMM-N° 1336), qui porte notamment sur la nécessité de «développer et maintenir les compétences et connaissances essentielles», j'ai le plaisir de vous informer des offres de formation pour lesquelles l'Organisation météorologique mondiale (OMM) prévoit d'apporter un soutien financier en 2025. Les Membres souhaitant présenter des candidats sont invités à consulter le *Compendium of WMO fellowships and training opportunities – 2025* (Répertoire 2025 des bourses d'études et des offres de formation de l'OMM), qui peut être téléchargé sur le [site Web communautaire](#) de l'OMM, et à respecter scrupuleusement les instructions qui y sont données. Les bourses d'études et les offres de formation de l'OMM s'adressent à des candidats issus des Services météorologiques et hydrologiques nationaux (SMHN) des pays les moins avancés, ainsi que des pays en développement, des pays à économie en transition, des petits États insulaires en développement (PEID) et des pays vulnérables face aux catastrophes naturelles.

Les bourses disponibles en 2025 sont proposées par 15 partenaires de l'OMM de 13 pays et couvrent une large gamme d'options en météorologie, hydrologie et climatologie. Sauf indication contraire dans le répertoire, avant de présenter une demande de candidature à l'OMM (par courriel à fel@wmo.int), il est nécessaire qu'une lettre d'acceptation auprès de l'établissement concerné ait préalablement été obtenue, ou soit en cours d'obtention, par le candidat qui sollicite une bourse d'études pour suivre une formation.

De plus, pour vous aider à choisir les établissements les mieux adaptés à vos candidats, nous vous conseillons de consulter la liste des partenaires figurant dans le répertoire ([annexe II](#)) et sur le [site Web des centres régionaux de formation professionnelle de l'OMM](#), qui contiennent, respectivement, des informations sur les offres de bourses d'études et de formation des différents établissements ainsi que la liste des pays qui ont conclu un accord spécial avec l'OMM. Nous vous invitons à lire attentivement les instructions à suivre pour présenter des candidats aux bourses d'études et programmes de formation ([annexe I](#)), ainsi que les critères d'attribution des bourses d'études et des parrainages de formation professionnelle énumérés dans les *Directives concernant les demandes de bourses d'études de l'OMM* (OMM-N° 1104).

Compte tenu des contraintes budgétaires actuelles, je vous invite à évaluer soigneusement les candidatures que vous soumettrez en prenant en considération les exigences de l'OMM en matière de qualifications. Il convient de prêter attention à la manière dont vos demandes répondent aux besoins de votre SMHN en matière de renforcement des capacités en ressources humaines, tout en tenant compte des questions liées à l'équité du traitement des genres.

Aux: Représentants permanents des Membres de l'OMM

cc: Conseillers en hydrologie

Veillez noter que le tableau d'information indique, pour chaque partenaire, la date butoir de soumission des candidatures ainsi que la date limite de communication des nominations à l'Organisation. Toutefois, le Secrétariat de l'OMM pourra diffuser des offres de formation supplémentaires et se réjouit de recevoir des demandes ponctuelles, qui seront traitées conformément aux critères stipulés.

Je souhaiterais par ailleurs vous inviter à nous faire connaître les bourses d'études et les offres de formation que vos établissements nationaux proposent et pour lesquelles l'OMM pourrait apporter sa collaboration. Pour toute proposition de partenariat mutuellement profitable, il convient de contacter le directeur du Bureau de l'enseignement et de la formation professionnelle, qui entamera des négociations au nom de l'OMM. Les propositions de collaboration peuvent être présentées à tout moment de l'année. Elles peuvent également être communiquées aux autres Membres via la [plate-forme communautaire de l'OMM](#) et le [WMO Global Campus Calendar of events](#) (calendrier du Campus mondial de l'OMM).

En vous remerciant du soutien que vous apportez aux activités de l'OMM, je vous prie d'agréer, Madame, Monsieur, l'expression de ma considération distinguée.

Celeste Saulo
Secrétaire générale

GUIDE ON NOMINATIONS FOR FELLOWSHIPS AND TRAINING

2025 COMPENDIUM OF WMO FELLOWSHIPS AND TRAINING OPPORTUNITIES: REQUIREMENTS AND GUIDE FOR APPLICATION

Ref.: 01069/2025-111 SI

1. Read through the [Guidelines for Applying for a WMO Fellowship](#) (WMO-No. 1104).
2. Check for available fellowship and training opportunities in the Compendium and RTCs website.
3. The applicant must be proficient in the language of study and/or provide documentation regarding their language proficiency as required by the institution. Please note that some institutions require an English language test, such as IELTS or TOEFL, which may take time to obtain.
4. If multiple candidates are nominated, the Permanent Representative (PR) must also provide a priority list for them.
5. The nominating Member should pay attention to the eligibility quality of the candidates to avoid future withdrawals, dropouts, failures, and study extensions.
6. Any fellowship award requires all due and overdue post-fellowship reports from previous fellows (completion report and 24 month post-fellowship report, PR familiarization reports) to be provided to WMO.
7. A completed Fellowships Nomination Form (FNF) is required for fellowship nomination (it can be downloaded from the [ETR website](#)).
8. The FNF must be signed by the PR or a formally delegated alternative signatory and sent to the Secretary-General of WMO by the closing dates stipulated for that opportunity.
9. Any nomination must provide an admission letter from the institution for the requested fellowship. The admission letter or accompanying documentation should provide the start and end dates of the course and the costs involved. To obtain the admission letter, candidates must apply to the fellowship provider, which checks the academic, language, and other requirements for acceptance.
10. All documents required for a fellowship award (FNF, admission letter, etc) must be sent to the ETR Office (fel@wmo.int) to be processed according to the WMO procedures.
11. Deadlines for nominations must be followed. Late nominations beyond the deadlines are usually not considered. Issuing admission letters from institutions and obtaining the results of required language tests takes time. Candidates must take action as early as possible if such a request is foreseen.

For courses offered by WMO Regional Training Centres (RTC) of less than one month, candidates must use the nomination forms provided by the RTC. A signed request by the PR of the WMO Member is required for WMO support. Participants selected for WMO support will be asked to complete a Request for Financial Assistance (RFA) form.

WMO FELLOWSHIP PARTNERS

Ref.: 01069/2025-1.11.51

1.	Argentina	Universidad Nacional del Litoral (UNL)
2.	Brazil	Federal University of Santa Maria
3.1	China	China Scholarship Council
3.2	China	Nanjing University of Information, Science and Technology (NUIST)
3.3	China	Hohai University
4.	Costa Rica	University of Costa Rica
5.	France	Ecole Nationale de la Météorologie (ENM)
6.	Germany	Leibniz Universität Hannover (LUH)
7.	Republic of Korea	Ewha Womans University (EWU)

3. China

3.1. China Scholarship Council (CSC), Nanjing

1.	Host institutions	a. Nanjing University of Information Science & Technology (NUIST) b. Hohai University
2.	Website	CSC Scholarships China Scholarship Council Chinese Government Scholarships (chinesescholarshipcouncil.com)
3.	Location of institution	Nanjing, People's Republic of China
4.	Address of institution	Refer to NUIST and Hohai
5.	Course type	MSc and PhD programmes in meteorology and hydrology
6.	Faculty/Departments/Majors	a. Meteorology (NUIST) b. Hydrology & water resources monitoring and management (Hohai)
7.	Duration of study	a. MSc: 2 to 3 years b. PhD: 3 years
8.	Course start and end date	September – July every year
9.	Target region and countries	Least Developed and Developing countries
10.	Fellowship summary	CSC and WMO full scholarship
11.	Basic requirements	a. MSc candidates: Must be younger than 35 years of age on 1 September (exclusive) of the commencement year of study and must hold a BSc degree b. PhD candidates: Must be younger than 40 years of age on 1 September (exclusive) of the commencement year of study and must hold a MSc degree All applicants must provide language proficiency certificates for the scholarship application: for the Chinese-taught programmes a valid HSK Certificate (Chinese Proficiency Test), and for the English-taught programmes a valid IELTS or TOEFL Certificate
12.	Language	MSc and PhD can be in English or in Chinese, IELTS 6.0 or TOEFL certificate is recommended if in English
13.	Number of awards per year	15
14.	Institution online application	Mandatory at http://www.campuschina.org Detailed instructions for applicants can be found at Fellowships Applications World Meteorological Organization
15.	Admission from institution	Mandatory
16.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Copy of the completed CSC online application form c. Pre-admission letter from NUIST or Hohai
17.	Applications close date	15 March 2024
18.	Contact info	europe-admission@csc.edu.cn NUIST: jeremy@nuist.edu.cn Hohai: 183984639@qq.com

3.	Address of institution	90, Panduri Street, Sector 5, 050663, Bucharest, Romania
4.	Course type	MSc and PhD programmes
5.	Faculty/Departments/Majors	Faculty of Physics a. MSc programme: Atmospheric Physics, Environmental Physics b. PhD programme: Atmospheric and Earth Physics, Planetology
6.	Duration of study	MSc programme: 2 years PhD programme: 4 years
7.	Course start and end date	October – June every year
8.	Target region and countries	All WMO Regional Associations: Developing Members and SIDS
9.	Fellowship summary	WMO full fellowship
10.	Basic requirements	MSc candidates: Applicants shall have a bachelor's degree in physics, meteorology or related fields with good academic performance and research ability PhD candidates: Applicants shall have a master's degree in physics, meteorology or related fields with good academic performance and research ability
11.	Language	English
12.	Number of awards per year	MSc Programme: up to 3 PhD Programme: up to 5
13.	Institution online application	Mandatory
14.	Admission from institution	Mandatory
15.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Admission letter from University of Bucharest
16.	Applications close date	According to instructions on website International students – UniBuc – Universitatea din București
17.	Contact info	Tel: +4021-305.46.41, +4021-305.46.42 Email: contact@externe.unibuc.ro Email (regarding PhD): daniela@solid.fizica.unibuc.ro Email (regarding MSc): bogdan.antonescu@unibuc.ro mihai.dima@unibuc.ro

11. Russian Federation:**Russian State Hydrometeorological University (RSHU), St. Petersburg**

1.	Website	RSHU Russian State Hydrometeorological University Admission to RSHU for international students – WMO Fellowship
2.	Location of institution	St. Petersburg, Russian Federation
3.	Address of institution	79, Voronezhskaya str. St. Petersburg, Russian Federation 192007
4.	Course type	BSc, MSc, PhD and online professional development (OPD) programme
5.	Faculty/Departments/Majors	a. Meteorology b. Hydrology c. Ecology and Environmental physics d. Oceanography
6.	Duration of study	BSc: 4+1 years MSc: 2+1 years PhD: 3+1 years OPD: up to 1 year (1 year in Russian language if needed)
7.	Course start and end date	September – July every year
8.	Target region and countries	Least Developed and Developing countries
9.	Fellowship summary	RSHU and WMO full fellowship
10.	Basic requirements	BSc candidates: Must be under 30 years of age as of September 1st of the year when the study commences (exclusive). MSc candidates: Must be under 35 years of age as of September 1st of the year when the study commences (exclusive) and must hold a BSc degree. PhD candidates: Must be under 60 years of age as of September 1st of the year when the study commences (exclusive) and must hold an MSc degree. OPD candidates: Must be under 60 years of age as of September 1st of the year when the study commences and must hold at least a BSc degree.
11.	Language	BSc, MSc, PhD: Russian OPD: English or Russian
12.	Number of awards per year	20
13.	Institution online application	Mandatory: https://imo.rshu.ru/en/state-funded-training/ All RSHU candidates should obtain the Quota Scholarship of the Russian Government which covers tuition fee.
14.	Admission from institution	Mandatory (please refer to the foot note)
15.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Confirmation from RSHU that the candidate is participating in the Russian Government Scholarship process. c. Copies of all supporting documents
16.	Applications close date	The deadline for the scholarship application changes from year to year. Please contact RSHU for information about the specific deadlines.
17.	Contact info	Please contact wmo.mobility@rshu.ru , ums@rshu.ru for more information.

More details regarding the fellowships in Russian Federation can be found at:
[Fellowships Applications | World Meteorological Organization \(wmo.int\)](#)

12. The United Kingdom of Great Britain and Northern Ireland**12.1 European Centre for Medium Range Weather Forecast (ECMWF), Reading**

Ref.: 01069/2025-1.II.SI

1.	Website	https://www.ecmwf.int/
2.	Location of institution	Reading, United Kingdom (HQ) Bonn, Germany
3.	Address of institution	Shinfield Park, Reading, United Kingdom (HQ) Robert-Schuman-Platz 3, 53175 Bonn
4.	Course type	n/a
5.	Faculty/Departments/Majors	n/a
6.	Duration of secondment	Up to 12 months
7.	Start and end date	Variable
8.	Target region and countries	Least Developed and Developing countries
9.	Fellowship summary	The selected Fellow will work with designated experts at ECMWF to enhance skills as appropriate, this may include attendance at ECMWF training courses. Prospective fellowship holders are asked to submit a project idea/s which will form part of the evaluation. Project ideas should aim to make an essential contribution to developing forecasting capabilities in the prospective fellowship's own country. The location of the Fellowship will depend on the proposed project and in which location experts are based.
10.	Basic requirements	Qualifications will depend on the focus of the available opportunities for placement at ECMWF
11.	Language	English
12.	Number of awards per year	1
13.	Institution online application	Mandatory Information and submission: https://www.ecmwf.int/en/learning/training/wmo-fellowship-scheme
14.	Admission from institution	Mandatory*
15.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Letter of unconditional offer from ECMWF
16.	Applications close date	End of March for autumn start
17.	Contact info	Becky.Hemingway@ecmwf.int

12.2 University of Reading

1.	Website	Master's courses - Department of Meteorology, University of Reading
2.	Location of institution	Reading, United Kingdom
3.	Address of institution	Whiteknights, Reading, RG6 6BB
4.	Course type	MSc in Applied Meteorology and Climate with Management
5.	Faculty/Departments/Majors	Department of Meteorology
6.	Duration of study	12 months
7.	Course start and end date	September – September each year
8.	Target region and countries	Developing countries
9.	Fellowship summary	WMO and UK Met Office full fellowship
10.	Basic requirements	Normally a good honours degree (2.2 or above), or equivalent from a university outside the UK, in a mathematical/physical science or a closely related subject. Degrees in environmental or agricultural sciences or geography may be acceptable if maths and physics have been studied to A level or equivalent. Candidates with different or slightly lower qualifications, or who have significant professional experience may be considered. Please contact: n.w.arnell@reading.ac.uk to enquire.
11.	Language	English IELTS: 6.5 overall with no element less than 5.5 (or equivalent) is required
12.	Number of awards per year	Up to 5
13.	Institution online application	Mandatory
14.	Admission from institution	Mandatory*
15.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Letter of unconditional offer from University of Reading c. UK Application form (below)
16.	Applications close date	University of Reading: End of February WMO: End of March for autumn start
17.	Contact info	n.w.arnell@reading.ac.uk

*Application to University of Reading should be made as early as possible. The University can issue a conditional offer letter to send to WMO prior to the applicant passing the IELTS test, but the required Letter of Unconditional Offer will not be issued to the applicant until the language condition has been met. If you have any queries about this, please contact n.w.arnell@reading.ac.uk

Application form for the University of Reading can be found at:

13. United States of America**National Oceanic and Atmospheric Administration (NOAA) – National Weather Service, Washington DC**

Ref.: 01069/2025-111 SI

1.	Website	https://www.wpc.ncep.noaa.gov/international/intl2.shtml
2.	Location of institution	Washington DC, USA
3.	Address of institution	College Park, Maryland
4.	Course type	Training Certificate and/or Competencies Certificate
5.	Faculty/Departments/Majors	NCEP International Desks
6.	Duration of study	4 months
7.	Course start and end date	Variable
8.	Target region and countries	WMO Region I (Africa), Region III and IV (Northern South America)
9.	Fellowship summary	Training emphasizes the understanding of atmospheric dynamics and the application of numerical model guidance for the generation of quantitative precipitation forecast products, sub-seasonal and climate forecasts. It applies WMO competencies standards for general forecaster
10.	Basic requirements	Open to all meteorologists and technicians (forecasters), with priority given to meteorologists
11.	Language	English, Spanish for RA III
12.	Number of awards per year	variable
13.	Institution online application	n/a
14.	Admission from institution	Mandatory
15.	Documents to be sent to WMO (fel@wmo.int)	a. WMO FNF b. Letter of offer from NOAA
16.	Applications close date	Training slots will be assigned a year in advance, with nomination package on file no later than four months prior to the beginning of the fellowship
17.	Contact info	ethan.jessup@noaa.gov African Desk: wassila.thiaw@noaa.gov South America/Tropical Desks: jose.alamo@noaa.gov
