GENÈVE, le 28 février 2014

Annexes: 2 (disponibles en anglais seulement)

Objet: Cours international de formation à la prévision immédiate des orages et des phénomènes de forte convection (Beijing, Chine, 13-23 mai 2014)

Suite à donner: Pour information et mesure à prendre, le cas échéant

Madame, Monsieur,

J'ai le plaisir de vous informer que la République populaire de Chine accueillera le cours cité en objet du 13 au 23 mai 2014 au Centre de formation de l'Administration météorologique chinoise (CMATC) de Beijing, qui est l'une des composantes du Centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale (OMM) en Chine.

Ce cours, qui se déroulera en anglais, a pour but d'initier les participants aux méthodes de prévision immédiate. Il vise aussi à améliorer les capacités de prévision à courte échéance et de prévision des phénomènes convectifs violents dans les pays en développement.

Les candidats retenus qui recevront le document *Admission Notices* approuvé par le CRFP de Beijing seront exonérés de frais d'inscription. Le Gouvernement chinois apportera aux participants, sur demande, un soutien au niveau local consistant notamment à assurer l'hébergement et les repas à Beijing et à fournir 50 yuan renminbi d'argent de poche par personne et par jour. Un candidat par pays en développement et deux candidats par pays les moins avancés sont retenus par le CRFP de l'OMM à Beijing aux fins de ce soutien. Les autres frais, tels que les billets aller-retour internationaux, les frais de visa, les dépenses de santé et d'assurance et les traitements nationaux devront être pris en charge par les participants ou par leurs gouvernements respectifs. Il est conseillé d'arriver à Beijing le 12 mai 2014 et d'en repartir le 24 mai. Pour de plus amples informations sur ce cours international, veuillez consulter l'annexe I (*Enrolment Information*).

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des membres de l'OMM (PR-6748)

cc: Conseillers en hydrologie auprès des représentants permanents

Les personnes intéressées sont priées de remplir le formulaire d'inscription ci-joint (annexe II), qui doit être signé par le représentant permanent de leurs pays respectifs auprès de l'OMM, et de le renvoyer directement au CMATC, de préférence par courriel (wangtb@cma.gov.cn et intcmatc@cma.gov.cn) et ce dès que possible et **au plus tard le 18 avril 2014**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)
pour le Secrétaire général

ENROLMENT INFORMATION

International Training Course on Thunderstorms and Severe Convection Nowcasting

The International Training Course on Thunderstorms and Severe Convection Nowcasting will be held in China from 13 to 23 May 2014 by the WMO Regional Training Centre in Beijing (RTC-Beijing), sponsored by the China Meteorological Administration (CMA).

1. Objectives

The course is designed to help trainees to learn thunderstorm and severe convection nowcasting methods, and to improve the short-term and strong convective weather forecasting ability in developing countries.

2. Date and Venue

13 to 23 May 2014, WMO Regional Training Centre in Beijing, China.

Note: Trainees are expected to arrive in Beijing on 12 May 2014 and depart on 24 May 2014.

3. Course Contents

The course includes: (1) Convective Storms Initiation, Development and Decay; (2) Severe Convection Storms Classification and Conceptual model; (3) Severe Convective Weather (hail, damage wind, and flash rain) Detection and Warning; (4) Introduction to China meteorological service development; and (5) Visits to the operational centres of CMA and tour in Beijing.

4. Training Format

Lecture, laboratory practice, group discussion, individual presentation, study tour, etc.

5. Instructors

Dr James Wilson, radar meteorology experts from the United States; and Dr Rita Roberts, radar meteorology experts from National Meteorological Centre of CMA and CMA Training Centre.

6. Language of Instruction

The course will be conducted in English only.

7. Targeted Trainees

Meteorologists who are working in the field of short-term weather forecast and other related fields from developing countries

8. Participants' Qualifications for Admission

Participants are required:

- a) To be specialized in weather forecasting with a minimum of one year's professional experience;

- b) To be in good physical health with no infectious diseases. Physically fit to fulfill all course activities; candidates with limited physical mobility will not be accepted;
- c) To be proficient in English;
- d) To prepare a report on weather forecasting of the participants' service and a brief introduction of the participant's professional experiences for the purpose of exchanges;
- e) Not to bring family members to the training course in principle; if bringing a family member, the participant has to pay the extra expenses;
- f) To observe all the laws, rules and regulations of People's Republic of China and respect the Chinese customs during the training period.

9. Application and Admission

- a) The applicants must be meteorologists who are working in the field of weather forecasting and other related fields from Meteorological and Hydrological Services of developing countries. The nominated candidates are requested to submit the Application Forms to RTC-Beijing for examination and endorsement;
- b) Admission Notices will be issued to the accepted participants by e-mail by the RTC-Beijing. With the Admission Notices, the participants are requested to go through all the necessary formalities for entering China and bring all the documents (Admission Notices, Health Document, Application Forms) to RTC-Beijing on the registration date of **12 May 2014**;
- c) Only accepted applicants that receive the Admission Notices endorsed by RTC-Beijing can participate in the training course.

10. Training Expenses

- a) Tuition is free for all the accepted participants that receive the endorsed Admission Notices by RTC-Beijing;
- b) RTC-Beijing will provide local support to the accepted participants from developing countries, including accommodation, meals, and pocket money (50 Yuan RMB per day). Other participants from developed countries shall be responsible for their own local cost;
- c) The international travel costs including round trip tickets, transit fares and subsistence allowance during the travel are to be covered by the participants;
- d) The expenses of visa, medical care, insurances and domestic salaries for the participants should be borne by the participants;
- e) It should be taken into account when booking the flight tickets that the scholarship covers exclusively from 12 to 24 May 2014. Any liability or expense out of this term shall be entirely at the expense of the participants.

11. Insurance

The organizer of the Training Course on Nowcasting does not hold any responsibility for such risks as loss of life, accidents, illness, and loss of property incurred during the whole period of participation in the training course.

12. Deadline for application

Application shall be submitted and reach RTC-Beijing no later than **7 April 2014**.

APPLICATION FORM

INTERNATIONAL TRAINING COURSE ON THUNDERSTORMS AND SEVERE CONVECTION
NOWCASTING

(Beijing, China, 13 to 23 May 2014)

Note: Please complete the form in typed capital letters and get it scanned in PDF version, send directly to RTC-Beijing by e-mail as soon as possible but not later than 7 April 2014.

I. Personal Data

1. Surname _____
Given Name _____
2. Gender _____
3. Date of Birth _____
4. Place of Birth _____
5. Passport Number _____
6. Nationality _____
7. Religion _____
8. Marital Status _____
9. Health Condition _____
10. History of infectious disease: ☐ No ☐ Yes

_____ (Please specify if yes)
11. Address: _____
Mobile phone: _____
Telephone _____ Fax _____
E-mail Address: _____ @ _____
12. Permanent Address: _____
13. Place of the Chinese Embassy/Consulate/Visa Office where you wish to apply for the visa(if a Chinese visa is required):

14. Contact person in emergency
Name: _____
Address: _____
Mobile phone: _____
Telephone _____ Fax _____
E-mail Address: _____ @ _____
15. Statement of present work
Name of institution _____
Present Position or Occupation _____

Photo

Brief description of duties _____

16. Previous employment history

Date	Institution	Position and Duties

17. Educational and/or professional qualification

Date	Major and University	Degree/Diploma

18. Language Proficiency

Mother Tongue _____

English Proficiency (Please tick):

Reading: a. excellent b. good c. fair d. poor

Listening: a. excellent b. good c. fair d. poor

Speaking: a. excellent b. good c. fair d. poor

Writing: a. excellent b. good c. fair d. poor

19. State why you wish to attend the course and indicate the practical use of the course to your work in the future.

20. Does your service have access to radar data covering your forecast responsibility area?

21. Does your service provide forecast and warning services?

II. Financial Support

Do you need local support from CMA if you are a participant from developing countries?

Yes ☐ No ☐

III. Insurance

I fully understand that the course organizer does not take any responsibility for risks such as loss of life, accidents, illness, loss of property etc.

IV. Personal Statement

I hereby declare that the information given above is true, correct and complete. I shall bear the responsibility for the above information.

I pledge to observe all the Chinese laws and will respect the local customs and follow the course regulations during my stay in China for the training course.

Signature of Applicant

Date _____

V. Endorsement of the Nominator

1. Name of Organization _____

2. Name and Signature of the Permanent Representative of WMO in your country:

Name _____

Signature _____

Official Seal _____

Date _____
