Annexes: 2 (disponibles en anglais seulement)

Objet: Cours international de formation sur les services de météorologie aéronautique
(Beijing, 16-27 juin 2014)

Suite à donner: Pour information et mesures à prendre, le cas échéant

Madame, Monsieur,

J'ai le plaisir de vous informer que la République populaire de Chine accueillera un cours international de formation sur les services de météorologie aéronautique du 16 au 27 juin 2014 au Centre de formation de l'Administration météorologique chinoise (CMATC) de Beijing, qui est l'une des composantes du Centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale (OMM) en Chine.

Ce cours, qui se déroulera en anglais, aidera les participants à mieux interpréter et mettre à profit les produits de la prévision météorologique aéronautique. Il vise aussi à renforcer la prévision immédiate, ainsi que les capacités de prévision à courte échéance et de prévision des phénomènes convectifs violents afin d'améliorer la diffusion des messages SIGMET dans les pays en développement.

Veuillez noter que les candidats retenus qui recevront le document «Admission Notices» approuvé par le CRFP de Beijing seront exonérés de frais d'inscription. Le Gouvernement chinois apportera aux participants des pays en développement un soutien couvrant l'hébergement, les repas et l'argent de poche (600 yuan renminbi). Les autres frais, tels que les billets d'avion aller-retour internationaux, les frais de visa, les dépenses de santé et d'assurance, ainsi que les traitements nationaux devront être pris en charge par les participants ou par leurs gouvernements respectifs. Au moment de réserver les billets d'avion, il convient de noter que la bourse d'étude ne couvrira que la période comprise entre le 15 et le 28 juin 2014; après cette date, les participants assumeront toute responsabilité et toute dépense qu'ils pourraient engager. Vous trouverez dans l'annexe I («Enrolment Information») de plus amples informations sur ce cours.

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM (PR-6763)

cc: Conseillers en hydrologie auprès des représentants permanents

Les personnes intéressées sont priées de remplir le formulaire d'inscription ci-joint (annexe II), qui doit être approuvé par le représentant permanent de leur pays respectif auprès de l'OMM, et de le renvoyer directement au CMATC de Beijing, de préférence par courriel à l'adresse intcmatc@cma.gov.cn, dès que possible et **au plus tard le 1^{er} juin 2014**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)
pour le Secrétaire général

ENROLMENT INFORMATION

International Training Course on Aeronautical Meteorology Services

The International Training Course on Aeronautical Meteorology Services will be held in China from 16 to 27 June 2014 by the WMO Regional Training Centre in Beijing (RTC-Beijing), sponsored by the China Meteorological Administration (CMA), co-sponsored by the Civil Aviation Administration of China (CAAC).

1. Objectives

The course is aimed to enhance the capabilities of participants in the application and interpretation of aviation weather forecast products, and to enhance the nowcasting and the short-term and strong convective weather forecasting ability to improve the issuance of SIGMET (including the content, the format, the quality and the availability) in developing countries.

2. Date and Venue

16 to 27 June 2014, WMO Regional Training Centre in Beijing (CMATC), China.

Note: Trainees are expected to arrive in Beijing on 15 June 2014 and depart on 28 June or on the evening of 27 June 2014.

3. Course Contents

- (a) Developments of aeronautical meteorology; SIGMET issuance and related applications;
- (b) Competency Assessment: (1) Implementation of AMP Competency Assessment System; (2) Competency assessment system at HKO; and (3) Real or simulated competency assessment;
- (c) Nowcasting methods: (1) the basic knowledge of Doppler weather radar; (2) thunderstorms and strong convective weather elements, (3) thunderstorm generation, development and dissipation of the nowcasting;
- (d) Introduction to the development of China's meteorological service;
- (e) Visit to the operational centres of CMA.

4. Training Format

Lecture, laboratory practice, group discussion, individual presentation, study tour, etc.

5. Instructors

Aeronautical meteorology experts from Air Traffic Management Bureau (ATMB), CAAC; Hong Kong Observatory, China; Nowcasting experts from CMA Training Centre, CMA.

6. Language of Instruction

The course will be conducted in English only.

7. Targeted Trainees

Meteorologists who are working in the fields of aviation weather forecasting or other related fields from developing countries.

8. Participants' Qualifications for Admission

- (a) To be specialized in aviation weather forecasting with a minimum of one year's professional experience;
- (b) To be in good physical health with no infectious diseases. Physically fit to fulfill all course activities; candidates with limited physical mobility will not be accepted;
- (c) To be proficient in English;

- (d) To prepare a report on aviation weather forecasting of the participants' service and a brief introduction of the participant's professional experiences for the purpose of exchanges;
- (e) Not to bring family members to the training course in principle;
- (f) To observe all the laws, rules and regulations of People's Republic of China and respect the Chinese customs during the training period.

9. Application and Admission

- (a) The applicants must be meteorologists who are working in the field of aviation weather forecasting and other related fields from Meteorological and Hydrological Services or Aviation Departments of developing countries. The nominated candidates are requested to submit the Application Forms to RTC-Beijing for examination and endorsement.
- (b) Admission Notices will be issued to the accepted participants by e-mail by the RTC-Beijing. With the Admission Notices, the participants are requested to go through all the necessary formalities for entering China and bring all the documents (Admission Notices, Health Document, Application Forms) to RTC-Beijing on the registration date of **June 16 2014**;
- (c) Only accepted applicants that receive the Admission Notices endorsed by RTC-Beijing can participate in the training course.

10. Training Expenses

- (a) Tuition is free for all the accepted participants that receive the endorsed Admission Notices by RTC-Beijing;
- (b) RTC-Beijing will provide local support to the accepted participant from developing countries, including accommodation, meals, and pocket money (600 Yuan RMB). Other participants from developed countries shall be responsible for their own local cost;
- (c) The international travel costs including round trip tickets, transit fares and subsistence allowance during the travel are to be covered by the participants or their employers;
- (d) The expenses of visa, medical care, insurances and domestic salaries for the participants should be borne by the participants' employers;
- (e) It should be taken into account when booking the flight tickets that the scholarship covers exclusively from 15 to 28 June 2014. Any liability or expense out of this term shall be entirely at the expense of the participant.

11. Insurance

The organizer of the Training Course on Aeronautical Meteorology Services does not hold any responsibility for such risks as loss of life, accidents, illness, and loss of property incurred during the whole period of participation in the training course.

12. Deadline for application

Application shall be submitted and reach RTC-Beijing no later than **1 June 2014**.

E-mail Address: _____ @ _____
14. Place of the Chinese Embassy/Consulate/Visa Office where you wish to apply for the visa(if a Chinese visa is required):

15. Statement of present work
Name of institution _____
Position held _____

Brief description of duties _____

16. Previous employment history

Date	Institution	Position and Duties
_____	_____	_____
_____	_____	_____
_____	_____	_____

17. Educational and/or professional qualification

Date	Major and University	Degree/Diploma
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

18. Language Proficiency

Mother Tongue _____

English Proficiency (Please tick):

Reading: a. excellent b. good c. fair d. poor

Listening: a. excellent b. good c. fair d. poor

Speaking: a. excellent b. good c. fair d. poor

Writing: a. excellent b. good c. fair d. poor

19. State why you wish to attend the course and indicate the practical use of the course to your work in the future.

II. Financial Support

Do you need local support from CMA if you are a participant from developing countries?

Yes ☐ No ☐

III. Insurance

I fully understand that the course organizer does not take any responsibility for risks such as loss of life, accidents, illness, loss of property etc.

IV. Personal Statement

I hereby declare that the information given above is true, correct and complete. I shall bear the responsibility for the above information.

I pledge to observe all the Chinese laws and will respect the local customs and follow the course regulations during my stay in China for the training course.

Signature of Applicant

Date _____

V. Endorsement of the Nominator

1. Name of Organization _____
