Annexes: 2 (disponibles en anglais seulement)

Objet: Cours international de formation sur la modification artificielle du temps (Beijing, Chine, 18–29 août 2014)

Suite à donner: Pour information et mesures à prendre, le cas échéant

Madame, Monsieur,

J'ai le plaisir de vous informer que la République populaire de Chine accueillera un cours international de formation sur la modification artificielle du temps du 18 au 29 août 2014 au Centre de formation de l'Administration météorologique chinoise (CMATC) de Beijing, qui est l'une des composantes du Centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale (OMM) en Chine.

L'OMM encourage l'utilisation du savoir et des connaissances scientifiques pour résoudre les problèmes relatifs à la modification artificielle du temps. Elle actualise régulièrement une déclaration et des principes directeurs, qui sont disponibles sur son site Web à l'adresse http://www.wmo.int/pages/prog/arep/wwrp/new/documents/WMR_documents.final_27_April_1.FINAL.pdf.

Le cours, qui se déroulera en anglais, a pour but d'initier les participants aux nouvelles techniques de modification artificielle du temps et également d'améliorer les compétences opérationnelles dans les pays en développement. Pour de plus amples informations, veuillez vous référer à l'annexe I («Enrolment Information»).

Les personnes intéressées sont priées de remplir le formulaire d'inscription ci-joint (annexe II), qui doit être approuvé par le représentant permanent de leur pays respectif auprès de l'OMM, et de le renvoyer directement au CMATC, de préférence par courriel à l'adresse intcmatc@cma.gov.cn, dès que possible et **au plus tard le 15 juillet 2014**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)
pour le Secrétaire général

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM (PR-6773)

cc: Conseillers en hydrologie auprès des représentants permanents

ETR/CRS-1114, ANNEX I

ENROLMENT INFORMATION

An International Training Course on Weather Modification will be held in Beijing, China from 18 to 29 August 2014 by the WMO Regional Training Centre Beijing (RTC-Beijing), sponsored by the Weather Modification Center, China Meteorological Administration (CMA) and RTC-Beijing.

1. Objectives

Through the training course, the participants will have a better understanding of weather modification mechanisms and methods. The course is also designed to help trainees to learn new techniques of weather modification, improve the operational skills for participants from developing countries.

2. Date and Venue

18 to 29 August 2014, Beijing, China.

Note: Trainees are expected to arrive in Beijing on 17 August 2014 and depart on 30 August 2014 or in the evening of 29 August 2014.

3. Course Contents

The course includes:

I. Theory

1. The microphysics of clouds and precipitation
 - (1) The growth of cold clouds precipitation
 - (2) The growth of warm clouds precipitation (condensation and coagulation)
 - (3) The growth of hailstone
 - (4) Pollution effects on clouds and precipitation
 - (5) Weather modification definition
Precipitation enhancement, hailstone suppression;
Main field: Theory Research, Field Campaign, Model Research and Laboratory Experiment.
 - (6) Seeding theory
2. WMO Weather Modification Statement

II. Technology

1. Convective clouds
2. Stratiform clouds
3. How to plan a cloud seeding project (experiment and operations)
 - (1) WMO PEP program
 - (2) WMO TR 35
 - (3) New projects

III. Weather Modification Activities in China, USA, Russia and other countries

1. Overview of weather modification activities in China
2. Research and operation application of weather modification model in China
3. Research and development of cold and warm cloud seeding agents in China

Training Format

Lecture, laboratory practice, exercises, group discussion, individual presentation, study tour, etc.

4. Instructors

WMO Expert Team of Weather Modification and CMA Weather Modification Center

5. Language of Instruction

The course will be only conducted in English.

6. Targeted Trainees

Meteorologists engaged in operational work or research on weather modification, especially those from developing countries

7. Participants' Qualifications for Admission

Participants are required:

- 1) To be specialized in meteorology and with a minimum of one year's professional experience;
- 2) To be in good physical health with no infectious diseases. Physically fit to fulfill all course activities;
- 3) To be proficient in English;
- 4) To prepare a report on weather modification of the participants' service and a brief introduction of the participant's professional experiences for the purpose of exchanges;
- 5) Not to bring family members to the training course;
- 6) To observe all the laws, rules and regulations of People's Republic of China and respect the Chinese customs during the training period.

8. Application and Admission

- 1) The applicants must be meteorologists who are working in the fields of weather modification from National Meteorological and Hydrological Services of developing countries. The nominated candidates are requested to submit the Application Forms to RTC-Beijing for examination and endorsement. Application shall be submitted and reach RTC-Beijing no later than **15 July 2014**;
- 2) Admission Notices will be issued to the accepted participants by e-mail by the RTC-Beijing. With the Admission Notices, the participants are requested to go through all the necessary formalities for entering China and bring all the documents (Admission Notices, Health Document, Application Forms) to RTC-Beijing on the registration date of **18 August 2014**;
- 3) Only accepted applicants that receive the Admission Notices endorsed by RTC-Beijing can participate in the training course.

9. Training Expenses

- 1) Tuition is free for all the accepted participants that receive the endorsed Admission Notices by RTC-Beijing;
- 2) RTC-Beijing will provide local support to the accepted participants from developing countries, including accommodation, meals, and pocket money (50 Yuan RMB per day). Other participants from developed countries shall be responsible for their own local cost;
- 3) The international travel costs including round trip tickets, transit fares and subsistence allowance during the travel are to be covered by the participants;
- 4) The expenses of visa, medical care, insurances and domestic salaries for the participants should be borne by the participants;
- 5) It should be taken into account when booking the flight tickets that the scholarship covers exclusively from 17 to 30 August 2014. Any liability or expense out of this term shall be entirely at the expense of the participants.

10. Insurance

The organizer of the Training Course does not hold any responsibility for such risks as loss of life, accidents, illness, and loss of property incurred during the whole period of participation in the training course.

11. Deadline for application

Application shall be submitted with a passport copy and reach RTC-Beijing no later than **15 July 2014**.

APPLICATION FORM

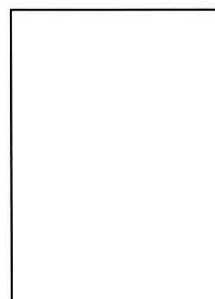

INTERNATIONAL TRAINING COURSE ON WEATHER MODIFICATION

(Beijing, China, 18 to 29 August 2014)

Note: Please complete the form in **typed capital letters** and get it scanned in PDF version, send directly to RTC-Beijing by E-mail with a passport copy **not later than 15 July 2014**.

I. Personal Data

1. Surname _____
Given Name _____
2. Gender _____
3. Date of Birth _____
4. Place of Birth _____
5. Passport Number _____
6. Nationality _____
7. Religion _____
8. Marital Status _____
9. Health Condition _____
10. History of infectious disease: ☐ No ☐ Yes (Please specify if yes)

-
11. Address: _____
Mobile phone: _____
Telephone: _____ Fax _____
E-mail Address: _____ @ _____
Permanent Address: _____

12. Place of the Chinese Embassy/Consulate/Visa Office where you wish to apply for the visa(if a Chinese visa is required):

13. Contact person in emergency
Name: _____
Address: _____
Mobile phone: _____
Telephone _____ Fax _____
E-mail Address: _____ @ _____

14. Statement of present work

Name of institution _____

Present Position or Occupation _____

Brief description of duties _____

15. Previous employment history

Date	Institution	Position and Duties
_____	_____	_____
_____	_____	_____
_____	_____	_____

16. Educational and/or professional qualification

Date	Major and University	Degree/Diploma
_____	_____	_____
_____	_____	_____
_____	_____	_____

17. Language Proficiency

Mother Tongue _____

English Proficiency (Please tick):

Reading: a. excellent b. good c. fair d. poor

Listening: a. excellent b. good c. fair d. poor

Speaking: a. excellent b. good c. fair d. poor

Writing: a. excellent b. good c. fair d. poor

18. State why you wish to attend the course and indicate the practical use of the course to your work in the future.

II. Financial Support

Do you need local support from CMA if you are a participant from developing countries?

Yes ☐ No ☐

III. Insurance

I fully understand that the course organizer does not take any responsibility for risks such as loss of life, accidents, illness, loss of property etc.

IV. Personal Statement

I hereby declare that the information given above is true, correct and complete. I shall bear the responsibility for the above information.

I pledge to observe all the Chinese laws and will respect the local customs and follow the course regulations during my stay in China for the training course.

Signature of Applicant

Date _____

V. Endorsement of the Nominator

1. Name of Organization _____

2. Name and Signature of the Permanent Representative of WMO in your country:

Name _____

Signature _____

Official Seal _____

Date _____
