Objet: Cours international de formation sur l'installation, la maintenance et l'exploitation des systèmes automatiques d'observation météorologique, Alanya, Turquie, 16–20 septembre 2019

Suite à donner: Pour information et mesures à prendre avant le **30 juin 2019**

Madame, Monsieur,

J'ai le plaisir de vous annoncer que la République turque organisera le cours susmentionné du 16 au 20 septembre 2019 dans les locaux du Centre régional de formation professionnelle (CRFP) de l'Organisation météorologique mondiale à Alanya, dans la région d'Antalya.

Ce cours, qui sera donné en anglais, s'adresse aux météorologues, ingénieurs et techniciens en météorologie qui travaillent dans des domaines en rapport avec l'installation, la maintenance et l'exploitation des systèmes automatiques d'observation météorologique. Pour obtenir des renseignements sur le cours, et notamment sur les modalités d'inscription, vous pouvez consulter l'annexe I (informations générales sur le cours) et l'annexe II (programme du cours).

Les participants seront exonérés des droits d'inscription et le Service météorologique turc prendra à sa charge l'hébergement en pension complète (hôtel, petit déjeuner, déjeuner et dîner) et les transferts entre l'aéroport et l'hôtel pour seulement un participant de chaque pays admis au cours. Le Service météorologique n'assumera aucune autre dépense (indemnité journalière de subsistance, frais de voyage nationaux et internationaux, frais de transit, frais de visa, etc.), tous les autres frais étant à la charge des participants eux-mêmes ou de leurs gouvernements respectifs.

Les personnes intéressées sont priées de remplir le formulaire d'inscription ci-joint (annexe III), qui doit être approuvé par le représentant permanent de leurs pays respectifs, et de l'envoyer directement au CRFP en Turquie (Mme Afife Hande Türkyilmaz, [ahturkyilmaz@mgm.gov.tr](mailto:ahturkyilmaz@mgm.gov.tr)) d'ici au **30 juin 2019**.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)  
pour le Secrétaire général

Aux: Représentants permanents (ou directeurs des Services météorologiques ou hydrométéorologiques) des Membres de l'OMM

cc: Conseillers en hydrologie auprès des représentants permanents

**International Training Course on  
“AWOS Installation, Maintenance and Operation”  
16-20 September 2019, Alanya, Antalya, TURKEY**

## **Course Information**

### **Objectives**

The purpose of this course is to give a general view and information about the basic features and components of Automated Weather Observing System (AWOS). Throughout the course, knowledge and experiences about AWOS will be shared between the participating countries.

### **Expected Participants**

This training course is open to all WMO Members and aimed at the meteorologists, technicians and engineers, who studied meteorology, electric and electronics, computers and other related fields and working on the fields related to installation, maintenance and operation of Automated Weather Observing System and have good level of English.

### **Content**

- General Introduction of Turkish State Meteorological Service (TSMS)
- General Information about AWOS
- Operating Principles of Sensors
- Data Acquisition and Transfer
- Data Quality Control
- Lightning Detection System
- Country Presentations
- AWOS Application Server for Data Acquisition and Archiving
- Practical Application of Database Server
- Practical Application at the AWOS Site
- General Problems and Solutions while operating an AWOS
- General Evaluation

### **Format**

The course will consist of theoretical part, group learning activities, case studies and on the job training at the AWOS site.

### **Language**

The training course will be conducted in English and all documentation will be in English. No translation/interpretation services will be available.

### Venue of the course

The course will be conducted at WMO RTC (Regional Training Center) Facility of TSMS in Alanya between 16 and 20 September 2019, where the accommodation, PCs and Internet facilities will be available for the participants.

Address of the facility is stated below:

Atatürk Cad.  
Meteoroloji Sokak No:3  
Alanya/Antalya  
TURKEY

### Accommodation and Meal

TSMS will provide full board accommodation and meal including breakfast, lunch, dinner and coffee breaks for one participant from each country.

### Travel Arrangements

As the host of the training, TSMS will arrange transportation to and from the airport to the Regional Training Center and transportation for the field visits. The international travel expenses between Turkey and the home town of the participants will have to be borne by the recipient members or by other means. Please note that there will be no international travel support by TSMS. The nearest international airport to Alanya RTC Facility is Antalya International Airport.

Please be informed that there will be **no additional payment** from TSMS to cover per diem or international and domestic travel costs or any other expenses like transit fares, visa fees, etc., which are expected to be covered by the participants themselves or their respective Governments.

### Insurance

Participants are fully responsible for any expenses in the event of death, illness or injury attributable to the attendance at course and for arranging for such life, health and other form of insurance as they consider appropriate. The participants are highly recommended to make a travel insurance which covers their travel and visit period. TSMS accepts no responsibility for compensation in such events.

### **Required Documents for Application**

- 1- The Permanent Representative should nominate the participant with an official letter.
- 2- Application form should be filled by the participant and signed by Permanent Representative of the participant with WMO.
- 3- Photocopy of passport should be submitted with the application form and the official letter (the passport photocopy should include the followings: Name, Date of Birth, Nationality, Gender, Passport Number and Expire Date).

### **Deadline for Application:**

Application forms should be sent to the course coordinator before **30 June 2019**.

### **Course Coordinator**

For any information regarding the course and local logistics arrangements, participants should contact:
