Objet: Sixième cours international de formation sur les radars météorologiques
(8-12 octobre 2012, Marmaris/Mugla, Turquie)

Suite à donner: Pour information et mesures à prendre, le cas échéant

Madame, Monsieur,

J'ai le plaisir de vous informer que la Turquie accueillera à Marmaris/Mugla, du 8 au 12 octobre 2012, le sixième Cours international de formation sur les radars météorologiques.

Les participants pourront se familiariser avec les principes de base et les applications de ce type d'instrument tout en bénéficiant de l'expérience acquise par les utilisateurs d'un réseau opérationnel de radars météorologiques.

Le Service météorologique national turc exonérera les participants des droits d'inscription et prendra à sa charge l'hébergement en pension complète (hôtel, petit déjeuner, déjeuner, dîner et transferts entre le centre de Marmaris et le lieu du cours) pour un seul participant par pays. Les frais de voyage internationaux, dont les billets aller-retour et les frais de transit, sont à la charge des participants eux-mêmes ou de leurs gouvernements respectifs. Les participants devront prendre leurs propres dispositions pour se rendre de l'aéroport de Dalaman au centre de Marmaris. Il existe un service de navette entre l'aéroport et Marmaris, et le trajet dans chaque sens coûte environ 10 dollars des États-Unis d'Amérique par personne. Veuillez consulter la page Web du service de navette HAVAS pour plus de précisions (<http://www.havas.net/en/shuttle-parking/dalaman>). Vous trouverez ci-joint des informations sur le cours ainsi qu'un formulaire d'inscription.

Les participants désignés sont priés de remplir le formulaire en question, qui doit être approuvé par le représentant permanent de leurs pays respectifs, et de l'envoyer directement au Centre régional de formation professionnelle en Turquie, à l'adresse indiquée sur le formulaire, d'ici le **12 septembre 2012** au plus tard.

Veuillez agréer, Madame, Monsieur, l'expression de ma considération distinguée.

(E. Manaenkova)
pour le Secrétaire général

Aux: Représentants permanents des Membres du Conseil régional I (AFR-767)
Représentants permanents des Membres du Conseil régional II (ASE-612)
Représentants permanents des Membres du Conseil régional VI (EUR-723)

cc: Conseillers en hydrologie auprès des représentants permanents

ETR/CRS-1312, ANNEX I

WMO RTC-TURKEY The 6th International Training Course on “Weather Radars”

8-12 October 2012
Marmaris/Muğla, TURKEY

COURSE INFORMATION

1. **Course Aims**

The aim of the course is for participants to learn the basic principles and uses of a meteorological radar and to benefit from the experiences of users of an operational weather radar network.

2. **Course Content**

The main topics of the course are listed below:

- Operation principles of Weather Radar
- Information about radar hardware
- Basic maintenance and calibration,
- Processing basics in Doppler weather radar systems
- Radar products and operational applications.

3. **Instructors**

Experts form Turkish State Meteorological Service.

4. **Course Dates and Venue**

8-12 October 2012, Marmaris, Muğla, Turkey. The course will be conducted at a hotel in the Marmaris region. The participants will be informed about the exact venue in due time. Due to the facilities at the hotel, probably no PCs would be available for the participants. It is strongly recommended to the participants to bring their portable computers.

5. **Course Language**

The course will be conducted in English.

6. **Qualification of Participants**

Educational Level: Upper high school/University

Position/task: Radar technician/engineer

Experience: Radar operational or maintenance applications

Language: English.

7. **Deadline for Nominations**

Interested candidates are requested to complete the attached Nomination form (Annex II) and return it to the Turkish State Meteorological Service no later than **10 September 2012**.

8. **Payment of Registration or Tuition Fees**

Tuition fee will be waived and all administrative expenses of the course will be covered by the Turkish State Meteorological Service (TSMS).

9. Air fare Costs

The international travel expenses between Marmaris, Turkey and the home town of participants will have to be borne by the recipient Members or by other means. **Please note that there will be no travel support by TSMS.** The nearest international airport to Marmaris is Dalaman International Airport (**DLM**).
(http://www.atmairport.aero/Dalaman_en/index.php) Please be sure to book your flight to Dalaman International Airport.

10. Local Transfers

All participants will be responsible for their transfers from Dalaman Airport to Marmaris Centre. There are shuttle bus services between Airport and Marmaris. Please check the web page of the Havas Shuttle Service for detailed information.
<http://www.havas.net/en/shuttle-parking/dalaman>
The transfers from Marmaris centre to course venue will be provided by RTC-Turkey with no cost.

11. Accommodation and Food

WMO RTC-Turkey will provide **full board** accommodation, including **room, breakfast, lunch, dinner, and coffee breaks** for **one** participant from each country. Please note that there will be **no per diem allowance payable** for the participants.

12. Cultural Programme

An excursion programme including the natural, historical and cultural heritage of **Marmaris** will be organized for participants.

13. Insurance

Participants are fully responsible for any expenses in the event of death, illness or injury attributable to the attendance at course, and for arranging for such life, health and other form of insurance as they consider appropriate. The participants are highly recommended to make a travel insurance which covers their travel and visit period. TSMS accepts no responsibility for compensation in such events.

14. Climate Data for the Period of the Course

Climate data for **Marmaris** during October are given below:

Mean temperature	: 15,9 C°
Mean maximum temperature:	23,4 C°
Mean sea-water temperature:	13-15 C°
Mean precipitation	: 69,3 mm
Mean humidity	: 67 %
