Вопрос: Открытая научная конференция Всемирной программы исследований климата «Продвижение науки о климате в интересах устойчивого будущего», Кигали, Руанда, 23-27 октября 2023 года (ОНК2023)

Уважаемый господин/Уважаемая госпожа!

Я хотела бы привлечь Ваше внимание к открытой научной конференции Всемирной программы исследований климата «Продвижение науки о климате в интересах устойчивого будущего», которая пройдет в Кигали, Руанда, с 23 по 27 октября 2023 года (см. <https://wcrp-osc2023.org/>), и предложить Вам поддержать участие в ней сотрудников Вашей Службы, которые извлекут для себя полезный опыт.

На конференции будут освещены достижения и проблемы в области научных исследований сопряженной системы Земля. В ходе конференции состоятся сессии, посвященные моделированию, наблюдениям и разработке климатической информации для общества. Особое внимание будет уделено климатическим рискам, в том числе последствиям, вероятностям и реагированию на воздействия изменения климата, а также инновациям, необходимым для обеспечения доступности климатологической информации, данных и обучения для всех, кто в них заинтересован.

В рамках всеобъемлющей миссии «Продвижение науки о климате в интересах устойчивого будущего» ОНК2023 будет включать в себя приглашенные основные доклады; параллельные сессии с переговорами и дискуссионными форумами; стендовые сессии, мероприятия в формате «Мировое кафе» и общие собрания — согласно прилагаемому информационному письму, которые охватывают три темы нашей конференции:

- Тема 1: Достижения в области исследований климата — демонстрация прогресса и будущих проблем в понимании климатической системы Земли, а также достижений в развитии потенциала науки о климате во всем мире.
- Тема 2: Взаимодействие человека и климата — анализ основных движущих факторов и воздействий изменения климата (прошлых, текущих и будущих), выявление рисков для здоровья человека и экосистем.
- Тема 3: Совместно производимое климатическое обслуживание и решения — соединение научных знаний, процессов планирования, принятия решений и политики.

Административный орган в области охраны окружающей среды Руанды (REMA) от имени Правительства Руанды проведет ОНК2023 в Кигали, в **Конференц-центре Кигали**. Данное мероприятие, организуемое в самом сердце африканского континента, позволит обеспечить активное взаимодействие с научно-исследовательскими сообществами,

Постоянным представителям Членов при ВМО

Копии: Советникам по гидрологии

заинтересованными сторонами и специалистами-практиками в Руанде и в регионе. Этому будут способствовать объединенные усилия, реализуемые с местными партнерами, такими как [Метеорологическое агентство Руанды](#) и [Университет Руанды](#).

Я была бы весьма признательна, если бы Вы оказали содействие в повышении осведомленности об ОНК2023 среди Ваших коллег, а также потенциальных финансирующих сторон и спонсоров, используя прилагаемый информационный листок Sponsorship and Opportunities (Спонсорская поддержка и возможности) и/или связавшись с координатором конференции Валери Детеммерман (valery.dettemmerman@wcrp-climate.org).

Всемирная программа исследований климата (ВПИК) спонсируется Всемирной метеорологической организацией, Международным советом по науке и Межправительственной океанографической комиссией ЮНЕСКО.

Более подробная информация представлена на сайте конференции (см. <https://wcrp-osc2023.org/>), а также во втором прилагаемом информационном письме.

С уважением,

д-р Елена Манаенкова
за Генерального секретаря

WORLD CLIMATE RESEARCH PROGRAMME OPEN SCIENCE CONFERENCE

23 - 27 OCT. 2023 | RWANDA

**Advancing Climate Science
for a Sustainable Future**

The World Climate Research Programme (WCRP) Open Science Conference will be held from 23 to 27 October 2023 at the new Kigali Convention Centre, with options for in-person and state-of-the-art remote

participation to ensure inclusion and engagement from communities around the world. We anticipate 1500 delegates on site and an equal number connecting remotely.

Themes

Examples of potential session topics

Advances in Climate Research

Showcasing progress and future challenges in understanding Earth's climate system, and advances in climate science capacity around the world

- Climate science achievements: advancing our understanding from the ocean to the stratosphere.
- Climate science challenges, new approaches and opportunities: gaps identified by IPCC Working Groups; cycles and budgets of energy, water and carbon.
- Frontiers in climate modeling, observations, and model-data fusion.

Human Interactions with Climate

Analyzing key drivers and impacts of climate change (past, current and future), identifying risks to human and ecosystem health

- The changing nature of climate extremes, and associated risks and impacts.
- Water availability, food, and ecosystem health in a changing climate.
- Human wellbeing and livelihoods, with a focus on health and cities.

Co-produced Climate Services and Solutions

Connecting scientific knowledge, planning, decision-making and policy processes

- Climate informatics: near-term regional climate information for adaptation planning in communities and ecosystems.
- Science-based climate change information for mitigation, adaptation, and a sustainable future.
- Climate scenarios: long term climate projections and socioeconomic scenarios; existing challenges and the new realities of climate intervention research.

The conference will be hosted by the Rwanda Environment Management Authority (REMA), on behalf of the Government of Rwanda.

A typical day at the Open Science Conference

| Time | Session | Description |
|---------------|--|---|
| 7:30 - 8:45 | Breakfast Session | Time available for World Cafés, early and mid-career researcher breakfasts and similar events |
| 9:00 - 10:30 | Plenary in the Dome Bringing it all together | Topics will vary from day-to-day including the conference opening, Africa-specific topic(s), and cross-cutting themes or issues |
| 10:30 - 11:00 | Break | Tea and coffee break |
| 11:00 - 13:00 | 5 Parallel Sessions | Sessions comprising keynote talks from invited speakers and talks selected from abstract submissions, Q&A and panel discussions |
| 13:00 - 14:30 | Lunch | Lunch break |
| 14:30 - 16:30 | 5 Parallel Sessions | Sessions comprising keynote talks from invited speakers and talks selected from abstract submissions, Q&A and panel discussions |
| 16:30 - 18:00 | Posters & Coffee in Foyer | Poster session along with aligned speakers' corners, lightning talks, workshops and World Cafés |
| 18:30 - 19:00 | Plenary in the Dome Bringing it all together | Wrap up of the day's key discussions and a preview of the next day |
| From 19:00 | Networking Session | Networking and socializing, including World Cafés, with refreshments available |
| 20:00 - 22:00 | Evening Session | Public lectures, town halls, learning labs, workshops |

Outcomes

- Improved assessment of climate risk and extremes through new collaborations and scientific advances
- Innovation in climate data and information
- Improved understanding and prediction of precipitation through the launch of a global experiment /WCRP Decade of Water Research
- Innovative ways to bridge science and society and build a North/South dialogue
- Fostering climate science leadership from the Global South and around the world
- Input to the UNFCCC Conference of the Parties (COP 28), taking place in the United Arab Emirates in November 2023

Key dates

- September 2022 - [Call for Poster Clusters and Side Events proposals](#)
- November 2022 - 3rd circular with program outline
- December 2022 - Abstract submission, financial support application and registration open
- February 2023 - Abstract submission and financial support application deadline
- April - May 2023 - Abstract review and financial support notifications
- June 2023 - Final program with speakers
- 22 & 28 October - Early to mid-career researchers' event
- 23-27 October 2023 - WCRP Open Science Conference

Participants

Science leaders, politicians, policy makers, intergovernmental agencies and Non-Governmental Organizations (NGOs) will share ideas on how climate research leads to a sustainable future. Natural and social scientists, humanities scholars, and practitioners from around the world will showcase their work, learn from each other, and explore new ways to work together to build the future we want. Early and mid-career researchers (EMCR) will play a prominent role in all aspects of the conference.

CONFERENCE**
23 - 27 OCT. 2023 | RWANDA

Sponsorship Benefits

Ref.: 30562/2022-1.0 SW/GR

By sponsoring the OSC, you will acknowledge the vital nature of climate research in support of a sustainable future, foster innovative ways to bridge science and society, and build future climate science leadership globally. The Kigali Conference Centre provides a myriad of opportunities for side events, learning labs, poster expositions and working group meetings.

Platinum Sponsors

\$50,000 contribution

- Invitation to attend sponsor dinner
- Complimentary premium exhibit booth space
- 4 complimentary conference registrations
- Recognition from the podium at opening session
- Short description on the hybrid platform
- Banner logo on conference website
- Logo on presentation screens in general session room between talks
- Link to organization website from meeting web site
- Logo on stage signage
- Logo on conference center reader boards

Gold Sponsors

\$25,000 contribution

- Complimentary premium exhibit booth space
- 2 complimentary conference registrations
- Short description on the hybrid platform
- Banner logo on conference website
- Logo on presentation screens in general session room between talks
- Link to organization website from meeting website
- Logo on stage signage
- Logo on conference center reader boards

Silver Sponsors

\$10,000 contribution

- 2 complimentary conference registrations
- Banner logo on conference web page
- Logo on presentation screens in general session room between talks
- Link to organization website from meeting website
- Logo on stage signage

Bronze Sponsors

\$5,000 contribution

- 1 complimentary conference registration
- Logo on presentation screens in general session room between talks
- Link to organization website from meeting website
- Logo on stage signage

Deserving Participant Support Opportunities

There are many deserving students, early career researchers, under-represented minorities, and scientists and practitioners from around the world who would benefit greatly from participating on site at the WCRP OSC 2023 but are unable to travel due to a lack of financial support. Contributions to named scholarships for conference participation are welcomed from individuals and organizations wishing to support the WCRP OSC 2023.

Sponsorship suggestions

Ref.: 30562/2022-1.0 SIWCR

| Sponsorship suggestions (number of opportunities) | Suggested contribution (US \$) |
|---|--------------------------------|
| Support to the hybrid Conference | |
| “Digital Innovation Sponsor” (includes hybrid platform, streaming and other associated costs) | \$50,000 - \$100,000 |
| Virtual poster gallery (2) | \$10,000 |
| Poster sessions (includes poster board rentals, refreshments) (8) | \$20,000 |
| Parallel sessions (includes room rental, AV, refreshments) (20) | \$20,000 |
| Abstract submission and review system (1) | \$4,000 |
| WiFi connectivity in meeting rooms per day (5) | \$25,000 |
| Entertainment packages | |
| Conference Gala dinner | \$50,000 |
| Welcome reception - refreshments | \$10,000 |
| Welcome reception - drinks package | \$10,000 |
| Welcome reception - entertainment | \$8,000 |
| Registration packages | |
| Locally produced registration bags | \$10,000 |
| Badge lanyards (branded) | \$2,500 |
| Conference bag - notebooks | \$10,000 |
| Conference bag - water bottles | Sponsored |
| Conference bag - pens | \$900 |
| Early to Mid-Career Researchers (EMCR) events/prizes | |
| Student and early career poster prizes | Any item/amount |
| Early to mid-career researchers’ conference dinner | \$5,000 |
| Early to mid-career researchers’ icebreaker | \$2,000 |
| Travel Grants | |
| Support for students, early career researchers, under-represented minorities, and scientists and practitioners from low income nations to attend the WCRP Open 2023 | Any amount welcome |

WCRP OSC 2023

WCRP OPEN SCIENCE CONFERENCE 2023

Advancing climate science for a sustainable future

23-27 October 2023

Kigali, Rwanda

Sponsorship Opportunities

www.wcrp-climate.org/WCRP-OSC23

Sponsorship Programme

About WCRP

The World Climate Research Programme (WCRP) leads the way in addressing frontier scientific questions related to the coupled climate system — questions that are too large and too complex to be tackled by a single nation, agency or scientific discipline. Through international science coordination and partnerships, WCRP contributes to advancing our understanding of the multi-scale dynamic interactions between natural and social systems that affect climate. WCRP engages productively through these partnerships to inform the development of policies and services and to promote science education. WCRP-supported research underpins the United Nations Framework Convention on Climate Change, and contributes to the knowledge that supports the 2030 Agenda for Sustainable Development. It is the international forum for thousands of climate scientists around the world.

Why should you support the WCRP Open Science Conference 2023?

By sponsoring the OSC, you will acknowledge the vital nature of climate research in support of a sustainable future, and help foster innovative ways to bridge science and society and build future climate science leadership around the world. This event, at the heart of the African continent, will also allow strong engagement with research communities, stakeholders and practitioners from Rwanda and the broader region.

Who will participate?

Science leaders, policy makers and stakeholders will share their ideas on how climate research can lead to a sustainable future.

Early career scientists, senior scientists, and practitioners from around the world will showcase their work, learn from each other, and invent new ways to work together to build the future we want. We anticipate 1500 delegates on site and an equal number who will connect remotely.

Will this be a “green” event?

Rwanda is an emerging leader in global environmental governance and is committed to providing an outstanding opportunity to deliver a green WCRP OSC 2023. Rwanda has chosen a green growth pathway where environment and climate action sit at the heart of national planning towards sustainable development.

Who is the local host?

The Rwanda Environment Management Authority (REMA), on behalf of the Government of Rwanda, will host the WCRP OSC 2023 in Kigali, at the Kigali Convention Centre, and will support WCRP to deliver a state-of-the-art hybrid event working together with many local and regional partners, including the Rwanda Meteorology Agency, the University of Rwanda, the African Institute for Mathematical Sciences, and Carnegie Mellon University Africa.

Sponsorship Benefits

Platinum Sponsors

(\$50,000 contribution)

- Invitation to attend the sponsor dinner
- Complimentary premium exhibit booth space
- 4 complementary conference registrations
- Recognition from the podium at the opening session
- Short description on the hybrid platform
- Banner logo on conference web page
- Logo on presentation screens in general session room between talks
- Link to organization web site from meeting web site
- Logo on stage signage
- Logo on Conference Center reader boards

Gold Sponsors

(\$25,000 contribution)

- Complimentary premium exhibit booth space
- 2 complementary conference registrations
- Short description on the hybrid platform
- Banner logo on conference web page
- Logo on presentation screens in general session room between talks
- Link to organization web site from meeting web site
- Logo on stage signage
- Logo on Conference Center reader boards

Silver Sponsors

(\$10,000 contribution)

- 2 complementary conference registrations
- Banner logo on conference web page
- Logo on presentation screens in general session room between talks
- Link to organization web site from meeting web site
- Logo on stage signage

Bronze Sponsors

(\$5,000 contribution)

- 1 complementary conference registration
- Logo on presentation screens in general session room between talks
- Link to organization web site from meeting web site
- Logo on stage signage

Deserving Participant Support Opportunities

There are many deserving students, early career scientists, under-represented minorities, and scientists from developing nations around the world who would benefit greatly from participating on site at the WCRP OSC 2023 but are unable to travel because they lack financial support. Contributions for named scholarships for participation in the conference are another way to support the WCRP OSC 2023.

Valery Detemmerman: valery.detemmerman@wcrp-climate.org

Sponsorship Package Detail

| Sponsorship opportunity | Suggested contribution (US\$) | Number of opportunities |
|---|-------------------------------|-------------------------|
| "Digital Innovation Sponsor" to provide a state-of-the art hybrid conference experience | \$150,000 | 3 x \$50,000 |
| Conference Gala Dinner | \$40,000 | 4 x \$10,000 |
| Guest WIFI connection in meeting rooms | \$30,000 | 5 x \$6,000/day |
| Welcome reception - refreshments | \$10,000 | |
| Welcome reception - drinks package | \$10,000 | |
| Welcome reception - entertainment | \$8,000 | |
| Poster session refreshments | \$10,000 | 5 x \$10,000 |
| Afternoon break refreshments | \$5,000 | 4 x \$5,000 |
| Poster board rental | \$5,000 | |
| Abstract submission and review system | \$4,000 | |
| Early & Mid-career scientists' dinner | \$5,000 | |
| Early & Mid-career scientists' icebreaker | \$2,000 | |
| T-shirts for ushers and helpers | TBD | |
| Badge laynards (1500) | TBD | |
| Conference bag | TBD | |
| Conference bag - notebooks & pens | TBD | |
| Conference bag - glass water bottles (1500) | TBD | |
| Conference bag - umbrellas (1500) | TBD | |
| Column wraps or Banner placement in the KCC | TBD | |
| Package of 10 student registrations | TBD | |
| Package of 10 virtual registrations | TBD | |
| Package of 10 standard registrations | TBD | |
| Travel support | TBD | |

Other promotional sponsorship can be explored by contacting
Valery.detemmerman@wcrp-climate.org
