Вопрос: Выдвижение кандидатур экспертов для работы во вспомогательных органах РА II

Предлагаемые меры: Представить заполненную форму выдвижения кандидатур до **31 января 2017 г.**

Уважаемый господин/Уважаемая госпожа!

Я хотел бы сослаться на шестнадцатую сессию Региональной ассоциации II (Азия), которая будет проводиться в Абу-Даби, Объединенные Арабские Эмираты, с 12 по 16 февраля 2017 г.

В одном из документов, подготовленных для сессии, содержатся предложения Группы управления РА II для рассмотрения Ассоциацией в отношении учреждения вспомогательных органов на следующий межсессионный период Ассоциации. Хотя предлагаемая структура вспомогательных органов подлежит окончательному утверждению на РА II-16, отбор лиц для работы во вспомогательных органах будет значительно облегчен, если на сессии будет доступна информация о выявленных национальных экспертах, готовых принять участие в работе вспомогательных органов в различных областях деятельности Ассоциации.

В этом контексте я хотел бы предложить Вам представить кандидатуры ваших соответствующих экспертов, которые могли бы стать кандидатами на выполнение соответствующих функций в предлагаемых рабочих группах и группах экспертов в ходе предстоящего четырехлетнего межсессионного периода, как указано в приложении 1.

Было бы желательно, если бы Вы могли выдвинуть кандидатуры экспертов, задействованных в соответствующих областях, в частности, если они также уже участвуют в работе соответствующих технических комиссий ВМО. Просьба обратить внимание на то, что председатели рабочих групп будут выбраны из числа координаторов групп экспертов в рамках соответствующих рабочих групп во время РА II-16.

К настоящему письму прилагается форма (приложение 2), которую необходимо заполнить всем экспертам, кандидатуры которых Вы пожелаете выдвинуть для возможного назначения. Заполненную(ые) форму(ы) необходимо направить в Секретариат вместе с одностороничной биографической справкой соответствующего эксперта до **31 января 2017 г.** в целях обеспечения того, чтобы эта информация была доступна для рассмотрения на сессии.

Постоянным представителям Членов Региональной ассоциации II (ASE-653)

В соответствии с политикой Организации по обеспечению гендерного равенства (резолюция 59 (Кг-17)), направленной на обеспечение того, чтобы членский состав конституционных органов ВМО и их рабочих структур как минимум на 30 % состоял из женщин, хотел бы призвать Вас выдвигать кандидатов из числа женщин.

С уважением,
