Our ref.: SG/CER/PUB 5

GENEVA, 12 June 2014

Annex: 1

Subject: New online Composition of the WMO web-based version (Pub 5)

Dear Sir/Madam,

The transition from the current Composition of the WMO (Pub 5) Membership PDF version to an online web-enabled version has been finalized. This new PUB5 will facilitate real time and controlled access to contacts and other related information of the WMO Community (Members, Meteorological and Hydrological Services and other relevant institutions). It will moreover serve as the single authoritative source for the information it contains.

Access to the new application, is available at <http://pub5.wmo.int/>. Please note that for the moment the site is available in English and French only. Other WMO language versions will be developed at a later stage. At this time, access will be facilitated on a read only basis. Along with access to this new interface, the WMO Secretariat will continue to issue a PDF version available on the WMO website at <http://www.wmo.int/wmocomposition/> on a quarterly basis. The Secretariat will also continue to have responsibility to update requests for changes in Permanent Representatives, experts in regional associations and technical commissions, received through the regular channels of communication (PRs).

Please note that the e-mail address, pub5@wmo.int, will be used for both sending and receiving *all* Pub5 related communications. Towards this end, to facilitate your use of the new application, you will shortly receive an e-mail at your registered e-mail address, with an initial password, which you can change thereafter. You are kindly invited to advise the Secretariat through the aforementioned e-mail, in the event that you wish to utilize an alternative e-mail from that which is on record.

Your attention is drawn to the enclosed Annex, which provides a brief guide to the new application. I would like however to draw your attention to the possibility of forwarding any required changes in your contact details (e.g. telephone/e-mail/postal address), which should be sent by e-mail to pub5@wmo.int, or through the “Request change” link located in the “Members” tab.

To: Permanent Representatives (or Directors of Meteorological or Hydrometeorological Services) of Members of WMO (PR-6774)

cc: Hydrological Advisers to Permanent Representatives)
Presidents of technical commissions) (for information)
Regional Hydrological Advisers)

Your comments on this first step of the modernization of the Pub 5 application would be very much welcomed through the previously referred e-mail address.

We look forward to bringing you an improved and more dynamic contact management service through this new interface.

Yours faithfully,

A handwritten signature in dark ink, featuring a stylized initial 'J' followed by a long, sweeping horizontal line that extends to the right.

(J. Lengoasa)
for the Secretary-General

WORLD METEOROLOGICAL ORGANIZATION

PUB 5 USER GUIDE

This User guide is intended to provide a general overview of the features in the new, interactive Pub 5. It outlines how to log in (page 1) provide basic searches from the Homepage (page 2), the Members page (page 3), Contacts (page 4), Executive Council, (page 5), Regional Associations (page 6), Technical Associations (page 7), Organizations (page 8) and WMO Secretariat (page 9), Change Requests (pages 10-11) and Enquiries (pages 12-13).

Welcome to Pub 5

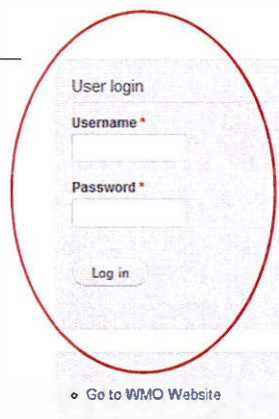

LOG IN: Your WMO registered e-mail (Username) and created password will serve as your log in credentials. If you do not have log-in credentials, you will be invited to request same through an enabled link, as shown below.

PUB5: Composition of WMO

Welcome to PUB5

Please log in your user name and password credentials in the fields on the right. In the event that you do not have credentials, please click on this [link](#). Thank you.

A screenshot of a 'User login' form. It has two input fields: 'Username*' and 'Password*'. Below the fields is a 'Log in' button. A red circle is drawn around the entire login form. At the bottom of the form, there is a link that says 'Go to WMO Website'.

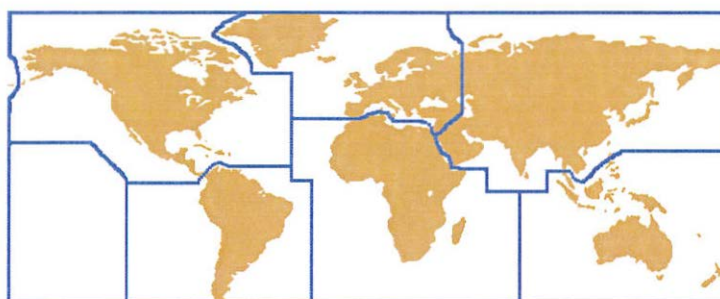

How to perform Basic Searches

HOMEPAGE: WMO World Map divided into the 6 WMO Regions. Click on any Region and you will be directed to the composition of Members of the Region. Clicking on any one Member will take you to their Contact information OR Click on “Regional Associations” tab.

WORK IN PROGRESS: Contacts, menu items links are currently been reviewed by CER. Please note some contacts and appearance might change.

- Go to WMO Website
- Contact Search

Last Changes

	Start Date	End Date	Change Date
Mr Bambang HARGOWO is no longer Regional Association Hydrological Adviser of V	10-Mar-2014		14-Apr-2014
Mr Bambang HARGOWO is no longer Hydrological Adviser of Indonesia	10-Mar-2014		14-Apr-2014
Mr Bambang HARGOWO is now Regional Association Hydrological Adviser of V	10-Mar-2014		09-Apr-2014
Mr Bambang HARGOWO is now Regional Association Hydrological Adviser of V			09-Apr-2014
Dr Arie Setiadi MOERWANTO is no longer Regional Association Hydrological Adviser of V			09-Apr-2014

LAST CHANGES-Recorded change history. In some instances, the start and end date for the position of the contact is indicated. In all cases, the change date when the record was created and updated is registered. At the bottom of the page, Clicking on “All Changes”, will take you to listing of all changes made.

MENU: The menu box on the right hand side of this page and other pages provides direct access to external resources on Pub5, internal information and, or action that may be undertaken.

MEMBERS: List of all 191 Members. Non-Members will also be included on this page for information purposes.

To make a search for a Member instead of scrolling through list, one can type in Member Name in either English or French. Click **"Apply"**, and you will go directly to the Member >listing for Member, PR and HA, where we have been informed.
