Subject: **Invitation to a follow up session on 18 October 2017 on the status of climate services implementation globally and the implementation of WMO contributions to the GFCS.**

Dear Sir/Madam,

A special session was held on 9, 18 and 19 May 2017, chaired by the President of WMO, for presidents of regional associations, presidents of technical commissions, and representatives of co-sponsored programmes, to review the status of climate services implementation globally and accelerate the implementation of WMO contributions to the GFCS. The report of this session has been circulated.

I am pleased to invite you to a follow up session on 18 October 2017, in Geneva. This session will be held immediately after the session of the Executive Council Working Group on WMO Strategic and Operational Planning, from 16 to 17 October, to which are have all been invited. Progress since the May meeting and further actions to be taken will be discussed in preparation for the joint meeting of presidents of regional associations and presidents of technical commissions in January 2018.

For administrative purposes, I would appreciate it if you could kindly notify the WMO Secretariat (contact person: Ms Rose Devillier rdevillier@wmo.int), as soon as possible of your attendance. An agenda and background information will be sent to you in due course.

Yours faithfully,

(E. Manaenkova)
