Action required: For information

Dear Sir/Madam,

I have pleasure in informing you that I have notified the Government of your country through the Ministry of Foreign Affairs, with a copy to the Permanent Representative and the Hydrological Advisor, by my letter of 13 September 2016, that the fifteenth session of the Commission for Hydrology (CHy) will be held in Rome, Italy, from 7 to 13 December 2016.

In this respect, I have invited the attention of your Government to the desirability of delegating members of the Commission to attend the session. I have also requested that the names of the principal delegate and of the other persons delegated be communicated to me, either in a formal notification, or, in order to have this information as soon as possible, in a preliminary communication, indicating the persons proposed without awaiting the completion of the procedure for formal nominations.

Access to the documents will be possible through the WMO website, as indicated below:

Open your Internet browser and go to <http://public.wmo.int> and Click on "Events", then click on "Constituent bodies" and finally click under "Commission for Hydrology (CHy)".

I should be obliged if you would assist as far as possible in ensuring that the procedure referred to above is followed.

Yours faithfully,
